

## RESOLUTION 2016-77

**A Resolution of the Board of County Commissioners of Boulder County describing a proposal to extend one-half (0.125%) of the existing 0.25% countywide open space sales and use tax for the purpose of continuing to fund the open space program; for the issuance of open space capital improvement trust fund bonds through a multiple-fiscal year commitment of revenues from such tax and from other open space sales and use tax revenues, general fund moneys and other legally available funds; a voter-approved revenue change; and providing other matters relating thereto.**

### Recitals:

A. Article 2, Title 29, Colorado Revised Statutes, as amended (hereinafter the "Article"), provides for the imposition of a countywide sales and use tax upon approval of a majority of the registered electors of Boulder County, Colorado (the "County") voting on such question.

B. There is a continuing need in the County for preservation of open space land, including acquisition of key remaining properties and conservation easements and the continued management and maintenance of existing open space areas.

C. Due to the accomplishments of the open space program in the years since its inception, the Board of County Commissioners (the "Board") finds that the County's remaining open space acquisition and conservation goals and the ongoing management and maintenance of open space lands may be achieved through continued funding from the extension of one-half (0.125%) of the existing 0.25% countywide open space sales and use tax.

D. On November 2, 1993, the voters of the County approved a 0.25% countywide sales and use tax and issuance of revenue bonds for the acquisition, improvement, management and maintenance of open space lands and other open space property interests, as described in Resolution 93-174.

E. On November 2, 1999, the voters of the County approved a proposal for the extension of the 0.25% countywide open space sales and use tax for an additional period of ten (10) years to and including December 31, 2019, and issuance of additional open space sales and use tax revenue bonds, as described in Resolution 99-111.

F. The Board now desires to refer the extension of one-half of the 0.25% countywide sales and use tax at a rate of 0.125% for an additional period of fifteen (15) years to be effective through December 31, 2034, and authorization for issuance of bonds payable from the revenues thereof, to the registered electors of the County, to be determined by a majority voting thereon.

G. The goals of the County open space program, as originally stated in Resolution 93-174, and as modified over time, have not as yet been fully realized, in that there are lands and areas for which property interests should be acquired in order to create trails and open space buffers for communities, protect wildlife habitat and preserve important agricultural lands; and these lands need to be managed and in some cases, restored.

H. As such, there remains a critical need for the preservation and stewardship of open space lands in the County, preserved open space being a fundamental shared value of the citizens of the County, which open space lands can be used for purposes including but not limited to buffers to preserve community identity, natural areas, wildlife habitat and wetlands, allow continuation of existing visual corridors and offer passive recreational use through the development of a recreational trail system, and therefore there is critical need for countywide sales and use taxes to finance the acquisition and limited improvement of said lands.

I. It is more cost-effective to purchase lands and complete improvements now rather than wait until additional revenues are realized from currently approved sources, since the price inflation of land costs is several times greater than the financing costs through tax-exempt bonds.

J. Proposing to extend the 0.25% countywide sales and use tax at a rate of 0.125% for a period of fifteen (15) additional years from its current expiration to be effective through December 31, 2034, with future revenues to be expended for open space acquisition and improvement, for repayment of capital improvement trust fund bonds, and for maintenance and management of open space lands, in accordance with the purposes set forth herein, is a cost-effective method of obtaining additional revenues without an increase in the total cumulative countywide sales and use tax rate.

K. If such extension is approved by the voters, revenues collected from the imposition of the existing 0.25% countywide sales and use tax up to and including December 31, 2019 would continue to be expended for the purposes and in accordance with the limitations of Resolution No. 99-111, and Resolution 99-111 would be superseded by this Resolution effective for revenues collected from the imposition of the extended 0.125% countywide sales and use tax on and after January 1, 2020.

L. Due to the immediacy of the need, open space capital improvement trust fund bonds as authorized by law in a maximum principal amount of \$30,000,000, net of any premium, should be issued in order to allow such acquisitions and improvements to take place as soon as possible, said revenue bonds to be repaid through a multiple-fiscal year commitment of revenues received from such extension of 0.125% countywide sales and use tax, and, to the extent moneys from such tax are insufficient or unavailable, moneys transferred to the Boulder County Open Space Capital Improvement Trust Fund from other open space sales and use tax moneys, the County's general fund and conservation trust fund, and other legally available funds.

M. The Board finds that the extension of one-half (0.125%) of the 0.25% countywide sales and use tax for a period of fifteen (15) additional years to be effective through December 31, 2034, with revenues to be expended for the open space program in accordance with the purposes set forth herein, and the issuance of \$30,000,000 in open space capital improvement trust fund bonds repaid through a multiple-fiscal year commitment of revenues received from such 0.125% countywide sales and use tax, and, to the extent moneys from such tax are insufficient or unavailable, moneys transferred to the Boulder County Open Space Capital Improvement Trust Fund from other open space sales and use tax moneys, the County's general fund and conservation trust fund, and other legally available funds, and the exemption of such tax revenues, bond proceeds and the interest thereon from the fiscal year spending limitations of article X, section 20 of the Colorado Constitution ("TABOR"), would permit additional revenues to be utilized to further accomplish the County's open space goals.

N. The County, with voter approval, is statutorily authorized to issue bonds to finance open space acquisitions and improvements, and to repay those bonds from any revenue source available to the County.

O. The Board desires to refer to the registered electors of the County to be determined by a majority voting thereon, the question of whether such tax extension, bonds and voter-approved revenue change shall be approved or disapproved.

P. The Article provides for the submission of such a sales and use tax proposal and multiple-fiscal year obligation authorization to the registered electors of the County at a general election scheduled within 120 days after adoption of such resolution.

Q. The Article provides that the County Clerk and Recorder shall publish the text of such tax proposal four separate times, a week apart, in the official newspaper of the County and of each city and incorporated town within the County.

R. Colo. Const., Art. X, Section 20(3)(b), requires certain election notices to be mailed to all registered voters of the County.

S. The Article provides that the proposal shall contain certain provisions concerning the amount, levying and scope of said tax.

T. It is the intent of the Board that, should the proposal to extend the existing countywide sales and use tax at a rate of 0.125% and obtain a voter-approved revenue change for such tax not be approved by the electorate in November, the existing tax, multiple fiscal year revenue commitment authorization, and existing voter-approved revenue change, shall not in any way be affected by such failed amendment and shall continue in force and effect as if this Resolution had not been adopted.

Therefore, the Board resolves:

There shall be referred to the registered electors of the County at the general election to be held on Tuesday, November 8, 2016, the following proposal:

1. (a) The imposition, by the extension of one-half of a countywide 0.25% (25 hundredths of one percent) sales and use tax, of a countywide 0.125% (12.5 hundredths of one percent) sales and use tax, in accordance with the provisions of the Article upon the sale at retail of tangible personal property and the furnishing of certain services in the County as provided in paragraph (d) of Subsection (1) of Section 29-2-105, Colorado Revised Statutes ("C.R.S."), as amended, and as is more fully hereinafter set forth.

(g) The countywide sales tax extension proposed hereby shall not apply to the sale of tangible personal property at retail or the furnishing of services if the transaction was previously subjected to a sales or use tax lawfully imposed on the purchaser or user by another statutory or home rule county equal to or in excess of that sought to be imposed by the County. A credit shall be granted against the sales tax imposed by the County with respect to such transaction equal in amount to the lawfully imposed local sales or use tax previously paid by the purchaser or user to the previous statutory or home rule county. The amount of the credit shall not exceed the sales tax imposed by the County.

(h) Notwithstanding any other provision contained herein, the value of construction and building materials on which a use tax has previously been collected by an incorporated town, city, or county shall be exempt from the town, city or county sales tax if the materials are delivered by the retailer or his agent to a site within the limits of such town, city or county.

(i) The purchaser is a non-resident of or has his principal place of business outside of the County; and

(ii) Such tangible personal property is registered or required to be registered outside the limits of the County under the laws of the State of Colorado.

(k) For the purposes of this sales tax extension proposal, all retail sales are consummated at the place of business of the retailer, unless the tangible personal property sold is delivered by the retailer or his agent to a destination outside the limits of the County or to a common carrier for delivery to a destination outside the limits of the County.

(l) In the event a retailer has no permanent place of business in the County or has more than one place of business, the place or places at which the retail sales are consummated for the purpose of a sales tax imposed by this proposal shall be determined by the provisions of article 26 of title 39, C.R.S., as amended, and by rules and regulations promulgated by the Colorado Department of Revenue.

3. The 0.125% use tax provided for herein shall be applicable to every motor vehicle for which registration is required by the laws of the State of Colorado, and no registration shall be made for any motor vehicle by the Department of Revenue or its authorized agents until any tax due upon the use, storage, or consumption thereof pursuant to this resolution has been paid.

4. The definition of words herein contained shall be as said words are defined in Section 39-26-102, C.R.S., as amended, and said definitions are incorporated herein.

5. Except as provided by Section 39-26-208, C.R.S., as amended, any use tax imposed shall be collected, enforced and administered by the County. The use tax on construction and building materials will be collected by the County building inspector or as may be otherwise provided by intergovernmental agreement, based upon an estimate of building and construction materials costs submitted by the owner or contractor at the time a building permit application is made.

6. If the majority of the registered electors voting thereon vote for approval of this countywide sales and use tax extension, such 0.125% countywide sales and use tax will continue to be in effect throughout the incorporated and unincorporated portions of the County up to and including December 31, 2034.

7. If such extension is approved by the voters, revenues collected from the imposition of the existing 0.25% countywide sales and use tax up to and including December 31, 2019 would continue to be expended for the purposes and in accordance with the limitations of Resolution No. 99-111, and Resolution 99-111 would be superseded by this Resolution effective for revenues collected from the imposition of the extended 0.125% countywide sales and use tax on and after January 1, 2020.

8. If the majority of the registered electors voting thereon vote for approval of this proposal, the Board may issue up to \$30,000,000 maximum principal amount, net of any premium, of open space capital improvement trust fund bonds payable from moneys transferred to the Boulder County Open Space Capital Improvement Trust Fund from moneys from the countywide 0.125% sales and use tax extension authorized herein, and to the extent moneys from such tax are insufficient or unavailable for the repayment of such bonds, from the County's other open space sales and use tax moneys, the County's conservation trust fund, the County's general fund, and other legally available funds, in such amount as is necessary to pay the debt service on the bonds and to otherwise comply with the covenants of the resolution or resolutions to be adopted by the

In connection with these purposes, these funds shall be used for:

- major remaining open lands, including an emphasis on areas surrounding or within existing mountain open space parks;

- agricultural lands and improvements that enhance local food production;
- efficient use of water resources for open space lands; and
- improvements to such lands.

13. Open space land, for the purpose of this resolution, is generally described as: those lands in which it has been determined by the Board that it is, or may in the future be, within the public interest to acquire an interest in order to assure their protection and to fulfill one or more of the functions described below. Interests acquired may include fee simple, lease, easements, development rights, and conservation easements.

14. Open space shall serve one or more of the following functions:

(a) urban shaping between or around municipalities or community service areas and buffer zones between residential and non-residential development;

(b) preservation of critical ecosystems, natural areas, scenic vistas and areas, fish and wildlife habitat, natural resources and landmarks, and cultural, historical and archeological areas;

(c) linkages and trails, access to public lakes, streams and other usable open space lands, stream corridors and scenic corridors along existing highways;

(e) conservation of natural resources, including but not limited to forest lands, range lands, agricultural land, aquifer recharge areas, and surface water;

(f) preservation of land for outdoor recreation areas limited to passive recreational use, including but not limited to hiking, photography or nature studies, and, if specifically designated, bicycling, horseback riding, or fishing.

15. Once acquired, open space may be used only for passive recreational purposes, for agricultural purposes, or for environmental preservation purposes, all as set forth above.

16. The Board will annually consult the City Councils and Town Boards of the municipalities within the County to assure that open space preservation and trail projects identified by municipalities are considered in setting county open space acquisition and trail development priorities for the following calendar year.

17. No open space land acquired through the revenues provided by this sales and use tax may be sold, leased, traded, or otherwise conveyed, nor may any exclusive license or permit on such open space land be given, until approval of such disposal by the Board. Prior to such disposal, the Parks and Open Space Advisory Committee shall review the proposed disposition, and a recommendation shall be forwarded to the Board. Approval of the disposal may be given only by a majority vote of the members of the Board after a public hearing held with notice published at least ten (10) days in advance in the official newspaper of the County and of each city and incorporated town within the County, giving the location of the land in question and the intended disposal thereof. No such open space land shall be disposed of until sixty (60) days following the date of Board's approval of such disposal. If, within such sixty (60) day period, a petition meeting the requirements of § 29-2-104, C.R.S., as amended, or its successor statute, is filed with the County Clerk, requesting that such disposal be submitted to a vote of the electors, such disposal shall not become effective until a referendum held in accordance with said statute has been held. The provisions of this paragraph shall not apply to agricultural leases for crop or grazing purposes for a term of ten (10) years or less.

18. If the real property or any interest therein acquired by use of proceeds of said sales and use tax pursuant to paragraph 14 of this resolution be ever sold, exchanged, transferred or otherwise disposed of, the consideration for such sale, exchange, transfer or disposition shall be subject to the same expenditure and use restrictions as those set forth herein for the original proceeds of said sales and use tax, including restrictions set forth in

this paragraph; and if such consideration is by its nature incapable of being subject to the restrictions set forth herein, then the proposed sale, exchange, transfer or disposition shall be unlawful and shall not be made.

19. The County will not use any of the revenues received from the sales and use tax proposed hereby to acquire an interest, other than an option, in open space land within the community service or influence area of a municipality as designated and recognized by action of the Board in accordance with the Boulder County Comprehensive Plan or as provided in an intergovernmental agreement with such municipality, without the concurrence of the municipality involved.

20. Revenue generated from activities on open space lands may be used to acquire, manage, patrol, improve and maintain open space properties.

21. Interest generated from the revenues of the sales and use tax extension shall be used for the purposes set forth in this resolution.

22. For purposes of Colo. Const., Art. X, Section 20, ("TABOR"), the receipt and expenditure of revenues of the extended 0.125% countywide sales and use tax proposed hereby together with earnings on the investment of the proceeds of such tax shall constitute a voter-approved revenue change.

23. The sales and use tax shall expire at 12:00 a.m. on January 1, 2035, and any monies remaining after January 1, 2035 may continue to be expended solely for the purposes set forth herein until completely exhausted.

24. The proposal as described in this Resolution shall take effect immediately upon the approval of the electorate.

26. The election shall be conducted on November 8, 2016 as a coordinated election in accordance with articles 1 to 13 of title 1, C.R.S. (the "Uniform Election Code").

27. The Board shall take further action by resolution to set a ballot title for the proposal described herein. For purposes of Section 1-11-203.5, C.R.S., as amended, such resolution shall serve to set the ballot title for such proposal.

28. No later than September 9, 2016, the Designated Election Official shall certify the order of the ballot and ballot content to the Clerk and Recorder of the County (the "County Clerk"). The "Designated Election Official" shall be Michelle Krezek, Intergovernmental Relations Director and Administrative Deputy to the Board.

If the County refers more than one ballot issue within any such type of ballot issue, the order within such type of ballot issue shall, unless otherwise determined by the Board, be the same as the order of the ballot issues in the resolution of the Board that orders that such ballot issues be so referred (with questions set forth in separate resolutions listed in the order in which such resolutions were adopted).

30. The Designated Election Official is hereby authorized and directed to proceed with any action necessary or appropriate to effectuate the provisions of this Resolution and comply with the Uniform Election Code, TABOR, and other applicable laws; provided that all acts required or permitted by the Uniform Election Code relevant to voting by early voters' ballots, absentee ballots, and emergency absentee ballots which are to be performed by the Designated Election Official shall be performed by the County Clerk. The election shall be conducted in accordance with the Uniform Election Code, TABOR, and all other applicable laws.

31. No later than September 27, 2016, the Designated Election Official shall submit to the County Clerk, in the form, if any, specified by the County Clerk, the notice of election required by Subsection (3)(b) of TABOR.

32. The Designated Election Official, the County Clerk and other County officials and employees are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution.

33. All actions not inconsistent with the provisions of this Resolution heretofore taken by the members of the Board and the officers and employees of the County and directed toward holding the election for the purposes stated herein are hereby ratified, approved, and confirmed.

34. All prior acts, orders or resolutions, or parts thereof, by the County in conflict with this Resolution are hereby repealed, except that this repealer shall not be construed to revive any act, order or resolution, or part thereof, heretofore repealed.

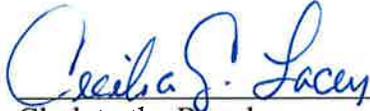

35. If any provision of this resolution or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this resolution which can be given effect without the invalid provision or application, and to this end the provisions of this resolution are declared to be severable.

A motion to approve this Resolution 2016-77 was made by Commissioner Jones, seconded by Commissioner Domenico, and passed by a 3-0 vote.

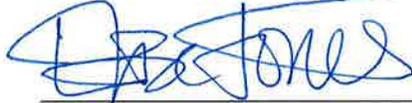

ADOPTED this 28th Day of July, 2016.
