Statement of Significance

Boulder County Criteria for Designation (check all that apply):

- The character, interest, or value of the proposed landmark as part of the development, heritage, or cultural characteristics of the county;
- Proposed landmark as a location of a significant local, county, state, or national event;
- The identification of the proposed landmark with a person or persons significantly contributing to the local, county, state, or national history;
- The proposed landmark as an embodiment of the distinguishing characteristics of an architectural style valuable for the study of a period, type, method of construction, or the use of indigenous materials;
- The proposed landmark as identification of the work of an architect, landscape architect, or master builder whose work has influenced development in the county, state, or nation;
- The proposed landmark's archaeological significance;
- The proposed landmark as an example of either architectural or structural innovation; and
- The relationship of the proposed landmark to other distinctive structures, districts, or sites which would also be determined to be of historic significance.
