# You want to be the best parent, and we want to help make it happen!

**Pregnancy can be exciting, scary, overwhelming, joyful, or all of these things at once! We are here to help you create the best possible future for you and your baby.**

**We can help you if you are:**

- 19 years or younger at the time you became pregnant
- Pregnant or parenting a child who is younger than 6 months old
- Living in Boulder County

We understand that your situation is unique. Each one of the GENESIS Parent Educators were teen parents themselves. They are here to help you figure it all out, and to support you during this important time in your life.
