I. Approval of Minutes

All

The September Steering Committee minutes were approved.

II. Coordinator and Partner Updates

General updates:

- MS4 Permit – waiting for final.
- Statewide LLYLI/CSC campaign support letter submittal approved.
- Statewide water quality awareness focus groups have been completed. Janice Lopitz will review footage of Longmont meetings when available.
- Watershed Plan – to CDPHE for review.
- Drafts watershed documents are posted to the KICP website
- Watershed monitoring annual report RFP workgroup – Mick, Jim, Justin and Bret will review the RFP and propose firms to send the RFP. RFP will go out in October. Proposals will be due December 1.
- Janice Lopitz reminded the group that the strategy documents are the KICP Plan.
- Fiscal Agent may move to the County vs Public Health. A 21% fee will be assessed on the Coordinator and PACE contracts as they will remain at Public Health.
- Erin Dodge indicated she would send out the emergency water quality intake call list to the Partners for confirmation that all those concerned are listed.
- Water Quality Forum update:
 - Submit searchable pdfs not scanned documents
 - Groundwater anti-degradation discussions to start
 - EPA to brief WQCC on King mine response, Eldora spill mentioned.
 - Mine response guidance to be developed
 - Standards database for Regs 32-38 to be included in regs by 1/2016 per the commission Administrative Action then eventually loaded for public consumption and a searchable map in the future, only two segments per page. This will enable the standards for each segment to be sorted and searched. Since the database has been populated manually the stakeholders are encouraged to check segments of interest for errors.
 - Gray water regulation rewritten to be better organized
 - No fee bill this year – still collecting information

- Sand and Gravel permit soon
- MS4 permit - continuing review of comments
- Hydrostatic ready to go in October
- Construction permit renewal soon – 4000 existing permits
- Washing of outdoor structures and groundwater remediation activities will not be revisited this year
- AWWA reuse workgroup
- Cross connection and coliform will be replaced with new rules
- Algae blooms – DOW and CDPHE both working on screening and response plans. Abraxis stick test for Microcystin only and Green Water lab in FL for the other two types. EPA has published a staggered health advisory guidance.
- Misc: DOW to soon propose an iron and benzene water quality standard.
- The group discussed permanent BMP maintenance implementation. Cal Youngberg shared the details of the Longmont program as well as LID observations at the Denver Trader Joes. He committed to sending Longmont's permit template.

MCM 1/2

The landscaper and the legacy Doo Good campaigns were confirmed for 2016. Recap of 2015 and future plans to go deeper to take place in February.

MCM 3/6

MCM 4/5

The LID training will take place on December 3.
Construction trainings for 2016

- Erosion Control 1 day \$1,500.00 – 20 KICP
- SWMP Admin 2 day \$2,000.00 – 10 KICP
- Recert \$500.00
- CSU Perm \$2,000.00

Fall Construction Screenings are taking place.

Linear Project Training. The Partners showed interest in this and Cal Youngberg indicated he believes Jon Allen of Longmont had created a guidance document.

Field Guide. This tool was mentioned.

3rd Party/Screenings. The group did not seem interested at this time.

The use of recycled concrete rumble was discussed. Lafayette followed up with their specification, which clearly doesn't allow for its use.
