Upcoming Holiday Events

El Día de los Muertos Day of the Dead

People of all cultures honor the memories of their ancestors. In many parts of Mexico, South America, and the United States, *El Día de los Muertos*, or the Day of the Dead, is a time to honor and celebrate deceased loved ones. Community participation is an essential part of this holiday that is full of life, reflection, food, family, and fun.

Colorado's largest Day of the Dead celebration!

Longmont's annual *Día de los Muertos* (*Day of the Dead*) celebration is the Longmont Museum's signature event and the largest Day of the Dead celebration in Colorado, attracting more than 5,000 people to the exhibit, family event, and related programming. Celebrating our 11th anniversary this year, the celebration demonstrates how a diverse community can come together to share a common desire – to honor our ancestors and keep their memories alive.

A key part of the celebration is preparing an altar, where photographs, favorite foods, and personal mementos of deceased loved ones are arranged. Pumpkin and Jack-o'-Lantern Pots

Difficulty: Easy
Age: 5 and up

<http://crafts.kaboose.com/pumpkin-jack-o-lantern-pots.html>

These cute pots are great as a table decoration, or turned upside down they make fun treat holders. Provide the paint and markers at your Halloween or harvest party, and this makes a great project for your guests.

Be sure to visit all of our other ghostly crafts, scary printables, fabulous costume ideas and these spook-tacular Halloween recipes! As well, explore our fall crafts, our great fall recipes and printable activities.

What you'll need:

For both pots:

- Small terra-cotta pots
- Orange craft paint
- Sponge applicator
- Pattern 

For jack-o'-lantern pot only:

- Yellow craft paint
- Black fine point marker
- For pumpkin pot only:
 - Green chenille stem
 - Brown fine point marker
 - Toothpick
 - Green felt
 - Scissors
 - Small silk leaves
 - White craft glue

How to make it:

For jack-o'-lantern pot:

1. Paint terra-cotta pot orange, inside and out, using a sponge applicator or paintbrush.
2. Use the pattern to add a face, paint it yellow. When dry, outline the yellow facial features with black marker. (See photo.)

For pumpkin pot:

1. Paint terra-cotta pot orange, inside and out, using a sponge applicator or paintbrush.
2. For the pumpkin, use a brown marker to draw lines from the top to the bottom of the pot. (See photo.)
3. Twist green chenille stem around the toothpick until toothpick is completely covered. Cut off remaining chenille. Remove chenille from toothpick and untwist half of it to give it a curly appearance. (See photo.)
4. Fold the tightly twisted end in half, then wrap a little of the untwisted end around the folded ends to secure and hold it together.
5. Using the pattern, cut out three leaves from green felt. Turn pot upside down and glue leaves to the bottom of the pot. Take the chenille stem and glue it to the center of the leaves, the folded end (stem) pointing upward with the untwisted end (vine) going off to the side. (See photo.)
6. Glue a few silk leaves to the top rim of the pot (the bottom of your pumpkin). (See photo.)

Tips:

1. If you like, paint a rim around the top of the jack-o'-Lantern, or decorate the rim with felt or glitter glue.
2. Fill candy pots with Halloween candy.
3. Because of the color of the terra-cotta pots, you can simply this craft by skipping the orange paint step altogether.
