Continuation Sheets

For each continuation sheet used, clearly identify the section of this form to which the sheet applies. For example, the Historical Narrative in Section 1 will need to have a continuation sheet. At the top of this sheet, type "Continuation Sheet - Section 1". Remember to number each page of the application, including all attachments.

Maps

This form will be considered incomplete unless a map(s) identifying the location of the structure or site, or the boundary of a district is included.

Photos

Photos of the property should be included with this application. The photos should include captions identifying the photo as well as the date it was taken, if possible. These photos will become part of the file for the property and won't be returned unless requested by the applicant.
