

## **Boulder County Parks and Open Space Shelter Reservation Checklist**

Please take care of the following items to ensure your deposit is refunded to you:

\_\_\_\_\_ Signs and Decorations:

Remove all signs and decorations.

\_\_\_\_\_ Trash:

Take all trash with you that will not fit within the provided trash containers with the lids secured. Leaving trash outside the containers is quickly scattered by wildlife, resulting in a time consuming, messy cleanup as well as attracting bears and mountain lions to the area.

\_\_\_\_\_ Tables:

If moved, return tables to their original position.

\_\_\_\_\_ Grills:

If you used our grills, close the grill lids to keep embers from starting forest fires. If you are the last party of the day, please put out embers with water and close the lids.

For Beech Open Space Only:

\_\_\_\_\_ Lock Gate

If you have problems with the lock, call the Sheriff Dispatch at 303-441-4444.

### **Fire Restrictions on Boulder County Parks and Open Space Property:**

- No open fires, including campfires
- No charcoal grills in picnic/shelter areas
- No fireworks
- Smoking is strongly discouraged

**Note: Do Not Throw Bird Seed (it sprouts!), Rice, etc.**

### **Deposit Refund Process**

Our maintenance crew checks each site and, if approved, a request to refund your deposit will automatically be entered into the county system. Processing time typically takes 30 days. If you have not received your refund in 30 days, please call 303-678-6200 for a status.

THANK YOU from Boulder County Parks and Open Space !!
