

# Trash Disposal Rate Increase

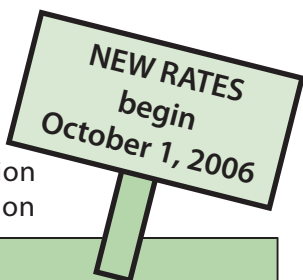

FREE Recycling (see list on other side)

## When:

October 1, 2006

## Where:

Allenspark Transfer Station  
Nederland Transfer Station

NEW RATE	TYPE OF TRASH
\$16	Loose trash, cubic yard
\$2	Bag - 13 gallon kitchen trash bag
\$4	Bag - 30 - 33 gallon trash bag
\$6	Bag - yard & leaf bag
\$40	Pick-up Truck - small
\$50	Pick-up Truck - Standard - bed level or Van
\$65	Pick-up Truck - Standard - halfway up cab
\$80	Pick-up Truck - Standard with siderails - top of cab
\$25	Large items such as: couch, desk, dishwasher, dryer, mattress, stove, washer, water heater
\$60	Appliances with CFC's such as: refrigerators, air conditioners, freezers
\$40	Permit - good for ten 30 - 33 gallon bags or twenty 13 gallon bags or any combination

## Why:

Rates to dispose of trash are the same at both transfer stations. The last rate increase was implemented in January 1998. Since then, the percent of expenses captured by revenues has fallen as expenses have continued to increase. Additional funds are needed to continue to provide this service to the mountain communities.
