BOULDER COUNTY WORKERS' COMPENSATION CLAIM PROCEDURES

Boulder County is self-insured and self-administered which means that we are our own insurance company. Workers Compensation Representatives can be reached as follows:

- Andrea Bell (303) 441-4547
- Pam Stonecipher (303) 441-3872

We are located at 2025 14th Street, Boulder, CO 80306.

1. All injuries must be reported to employee's supervisor and Risk Management immediately at (303) 441-4547 or (303) 441-3801.
2. A complete accident report must be filed with the Risk Management Division within 24 hours (this report can be found at the Risk Management website).
3. If medical treatment is required, one of the listed Workers' Compensation Designated Clinics must be utilized.
4. Failure to follow these procedures will result in medical bills from unauthorized physicians becoming the employee's responsibility.
